

## SECTION 1

### General Welfare Requirement: Safeguarding and Promoting Children's Welfare

The provider must take necessary steps to safeguard and promote the welfare of children.

# SAFEGUARDING CHILDREN

# UNCOLLECTED CHILD

## POLICY STATEMENT

In the event that a child is not collected by an authorised adult at the end of a day, the setting puts into practice agreed procedures. These ensure the child is cared for safely by an experienced and qualified practitioner who is known to the child. We will ensure that the child receives a high standard of care in order to cause as little distress as possible.

We inform parents/carers of our procedures so that, if they are unavoidably delayed, they will be reassured that their children will be properly cared for.

- On occasions when parents or the persons normally authorised to collect the child are not able to collect the child, they provide us with details of the name, address and telephone number of the person who will be collecting their child. We agree with parents how to verify the identity of the person who is to collect their child.
- Parents are informed that if they are not able to collect the child as planned, they must inform us so that we can begin to take back-up measures. We provide parents with our contact telephone number.
- We inform parents that we apply our child protection procedures as set out in our child protection policy in the event that their children are not collected from setting by an authorised adult within two hours after the setting has closed and the staff can no longer supervise the child on our premises.
- If a child is not collected at the end of the day, we follow the following procedures:
  - The child's file is checked for any information about changes to the normal collection routines.
  - If no information is available, parents/carers are contacted at home or at work.

If this is unsuccessful, the adults who are authorised by the parents to collect their child from the setting - and whose telephone numbers are recorded on the Registration Form - are contacted.

- All reasonable attempts are made to contact the parents or nominated carers.
- If no-one collects the child after one hour and there is no-one who can be contacted to collect the child, we apply the procedures for uncollected children.

- Under no circumstances do staff go to look for the parent, nor do they take the child home with them.
- A full written report of the incident is recorded in the child's file.
- Depending on circumstances, we reserve the right to charge parents for the additional hours worked by our staff.
